Calories	< 1
Bioginate Complex	769.8 mg
Proprietary Blend containing Sodium-Algininate	

**Daily Value Not Established.

Other Ingredients: Hydroxypropyl cellulose, titanium dioxide color, aluminum hydroxide, calcium hydroxide.

DIRECTIONS: Please read the enclosed leaflet for full details. Ensure that you take each **Appesat™** serving with at least 8 ounces of water a minimum of 30 minutes before each meal. It is not advisable to take **Appesat™** with a hot drink as this may affect its efficacy.

For best results combine **Appesat™** with a reduced calorie diet and regular exercise.

WARNING: Do not take this product if you have difficulty in swallowing. Always take **Appesat™** with at least 8 ounces of water or a low-calorie drink. Due to the "expanding" nature of this product, should **Appesat™** become lodged (stuck) in your throat, seek immediate medical attention. If you experience chest pain, vomiting, or difficulty in swallowing or breathing after taking this product, seek immediate medical attention.

NOTICE: Consult your physician prior to using this product if you are pregnant, nursing, or have any pre-existing medical conditions.

Appesat™ is suitable for vegetarians. It is free from gluten, nuts and shellfish, and has no artificial flavors or preservatives.

Appesat™ is an innovative, naturally derived product which may help you to manage, and in time, modify your appetite. The patented seaweed complex has been designed to help control food consumption and cravings. When combined with a calorie reduced diet and regular exercise, it may help you achieve greater success with your weight management program.*

This patented product contains a vegetable extract (Bioginate Complex) from the seaweed *Laminaria digitata*, which is harvested from farms on the French Atlantic coast.
